

The How and Why of New Math Strategies: Understanding Mathematics

Instructor: Nora Robinson

July 13-14, 2018
ESU #13 Conference Room
4215 Ave I
Scottsbluff NE

*1 Graduate College Credit Available through University of Wyoming

Learn how and why the “How and why” of mathematics is changing the teaching and understanding of math in the classroom. You will leave with resources at your fingertips, awesome mathematics gurus to follow and help you to navigate the ‘new’ math, and a stronger, calmer base to start the new mathematics school year!
