March 7, 2018 4:00-5:00 pm

Cost:

\$20 for
September 26th
includes lunch
and book

No Cost for other
sessions.

Description:

ESU #13 is offering a series to support new teachers in their first three years of teaching. We are hoping to create a networking and collaboration system for new teachers in different districts. Topics will include: Survival 101, engagement strategies, Nebraska Department of Education state standards/assessment, what is my role in at an IEP meeting, behavioral techniques, technology and many more.

New this year: Book study of "Teach Like A Champion 2.0"

New teachers may attend a single session-or all three! Districts or individuals please call 308-635-0661 or email soar@esu13.org to register. The sessions are designed so that teachers can attend the first meeting on-site and then the other meetings in Scottsbluff, Sidney, Chadron or in individual DL sites. (Dial the IP number no earlier than 15 minutes before the session starts.
