

Trip Through Time

Hands-on History for Young Learners April 18 and 19 Legacy of the Plains Museums 2930 Old Oregon Trail

Kindergartners will experience hands-on history! Step into homes of the past and compare them to the present, shell and grind corn, dive into a real crank-operated washing machine, and much more!

Teachers,

Please remember to confirm your attendance by emailing me at <u>mkeszler@esu13.org</u>. We will also need to know how many students you will be bringing with you. It is important that your students wear nametags to our events.

So that we can begin on time, we ask that you arrive five-ten minutes before the sessions are scheduled.

We look forward to seeing you and your kiddos.

Thank you,

Michelle Keszler ESU #13 SOAR
